Good afternoon,

As you know, there have been multiple announcements made by authorities such as the CDC and the governor about the COVID-19 coronavirus that include guidelines to keep everyone safe and healthy. In addition, we at the Partnership want to do our part in efforts to help reduce the potential spread of the virus.

Child Welfare Administration and the PSU Child Welfare Partnership management have been in communication and are in alignment to restructure our classroom schedule over the next four weeks. As a result, all non-essential trainings have been canceled through April 10. Essential Elements will be the only classroom training that will take place through April 10.

All other classes will resume on Monday, April 13.

We have not yet been able to put together a plan for rescheduling these trainings to a later date, but we will be in contact as soon as we have.

Please feel free to contact us if you have any questions or concerns. My email is kchapp2@pdx.edu; if I am unable to answer your question, I will forward it to my supervisor.

Thank you so much for your help and understanding during this time!

Kind regards,

K. Chappell, MBA
